HOPE 08 CHALLENGE: 1 Million Hours of Kindness - Christians across the nation are being challenged to donate 1 million hours of kindness over the coming months. Can your house group, small group, club, church or even you, think of ways you can give away acts of kindness? What about giving blood; babysitting for free so young parents can have a meal out; buy coffee for a stranger; call on an elderly neighbour and see if they need any help.

AOK – throughout the year ahead, we are encouraged to show, especially on Friday, a random 'Act of Kindness' in our community.
